

Policy 7.02.0

Dogs with infectious diseases or who have come into contact with infectious diseases.

Procedure:

- Any dog attending NKC classes that shows any signs of illness or has come into contact with an infectious disease shall not come to class. The owner is to keep the dog at home to prevent the spread of disease to other dogs in the class.
- No dog may be brought onto the grounds or premises of a show or trial held by the Nanaimo Kennel Club or the United Kennel Club if it:
 - a) is known to have distemper, parvovirus, kennel cough or other communicable disease;
 - b) has recovered from distemper, parvovirus, kennel cough or other communicable disease within the last 30 days;
- Where it is found that these rules have been contravened the dog in question shall be removed from the premises.
